

PAMI BULLETIN--AUGUST 2014

Jesus says in John 16:33b: *"In this world you will have trouble. But take heart! I have overcome the world."* Despite PAMI getting hit hard by Typhoon Glenda on July 15th, the gates of hell shall not prevail (Matt 16:18). Through God's strength and provision, recovery is underway and ministry continues. Fifteen souls were baptized in Bulan on August 2nd! (see below) Even though EBI is still without electricity (meter to be fixed soon), classes and church services are ongoing. Thank you to all those who've been praying and giving so generously. It's so encouraging to see an amazing \$7250 of typhoon relief donations come in the last 3 weeks. This is more than enough to cover \$4000 needed to repair PAMI facilities (including \$2000 Emmaus Bible Institute buildings, \$400 EBI rain damaged laptop, \$240 Bulabog church, \$400 Castilla church & parsonage, \$700 Irosin church, \$250 Barcelona church, \$10 Bulusan church). The balance will be used to assist needy church members to repair their homes. Thankfully, Compassion is going to help repair homes of Compassion sponsored families living near EBI (28 totally collapsed, 97 partial damage). PAMI will help at least 25 other needy families with totally collapsed houses.

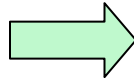

The collapsed EBI cottage...

...has been rebuilt and is being used for classes.

Pastor Raf's family's house (the former EBI bakery)....

....now has a new roof. Campus front wall to be replaced later.

15 were baptized on Aug. 2nd near Bulan (5 from the main Bulan church, 4 from MonteCal church, 6 from Togbongon outreach).
