

Here are pictures of recent happenings. Thank you to all who help keep ministry going through gifts and prayers. Since funds are running lower than in the past, we could use more one-time or on-going gifts to cover worker allowances, Bible school expenses, children's milk-feeding outreaches, and special projects.

Compassion kids Christmas party

This is a new classroom recently added at EBI, which especially helps facilitate more Compassion kids.

Dec 28th wedding of Sis Espie (our Compassion director) & Ptr Winston (a 2009 EBI grad)

Ptr Wm Thompson (right) officiated, and Ptr Chito (left) found strength to give the message. Keep Ptr Chito in prayer, since he's had more back pain and less appetite from his spreading lung cancer, although some nodules have gotten smaller.

EBI carolers raised enough money for an electric guitar and amplifier for church use.

Note that John Krizan, age 81, passed away on Dec 22 in his home in Pennsylvania. John was one of the original 3 men who incorporated PAMI 30 years ago in Feb 1982. John was the first PAMI president and served for all the years that Norval and Ardelle Thorud were missionaries in the Philippines. John was our PAMI potluck speaker in 2005. John and his wife Marvel have been regular contributors and prayer warriors for PAMI even up to the present. We'll miss John.
