We're only a couple months into the new year and already there are so many blessings from God (see pictures). Although there was a close call with a typhoon around Christmas-time, fortunately it passed a little north and only left our people without power for a week or so. PAMI people still enjoyed celebrating Christmas and are happy so far with 2017.

Christmas parties for kids in Mabini and at EBI had a special Jollibee guest

Happy to have 560 Operation Christmas Child boxes & literature to distribute again

Christmas service in Bulan Church, with youth performing

There's been a couple gatherings at EBI lately that included youth from other places like Mabini. One was a YWAM event and one was #True Love Waits. Note the new floor tiles in the church building. EBI graduation will be March 30. Plus there are ongoing continuing education Master's classes (see below).

EBI dorms are being refurbished, including new roofing.
