

This bulletin illustrates the 2020 vision and goals of various partitions/churches of PAMI as of the end of February. Perhaps these plans will have to change now that the whole world has shut down due to COVID-19 social restrictions. As of March 24 there are 552 confirmed cases and 35 deaths in the Philippines, but none yet in our area. But our area is still included in government mandated lock-down, so church services, EBI classes and internships, graduation ceremonies, Compassion activities, etc. have been temporarily suspended. Please pray for protection, adjustment, & recovery.
