

Thanks to your gifts and prayers, PAMI ministries keep going strong. Here's an Oct 27th report from Sis. Ofel Mendizabal, head of Emmaus Bible Institute, which gives an encouraging glimpse of recent happenings:

Greetings in the Name of our Lord and Savior Jesus Christ!

After so many struggles about road widening implemented by the government... At last! The EBI front wall and steel gates are done. Thank you to all our sponsors who give their financial assistance to make this project materialize.

Last Oct. 12th, we gathered almost 50 young people, ages 13-20, for our first youth gathering in Bulabog. Some EBI students assisted, rendering songs and performing a short play/skit about the Message of Salvation. The theme was "In God's presence, there is fullness of joy." (Note: Bulabog became a daughter church of EBI a year ago, and is pastored by EBI graduate Marlon Gabion.)

Last Saturday, October 25th, we already conducted our first Bulabog baptism. There were 23 souls who committed their lives to follow and serve Jesus. We are so blessed that God is multiplying and growing our ministry in Bulabog.

We are continuously having our Prayer Meeting near Bulabog in Bucal-bucalan with almost 30 attendees despite encountering difficulties and trials, especially when one of our Bible study members died. He's Jose Caubang. But praise God because his family is willing to continue opening their house for Bible study.

Barangay Capuy, Bulabog, and Bucal-bucalan were the 3 places where we held Bible Studies and also my final examination in Personal Evangelism (freshmen), which was to find new contacts. Praise God, we opened 10 new homes for Bible studies because of that.

To God be the Highest Glory!

In Christ, Sister Ofel
