Praise God for a lot of people being baptized. In addition to 55 baptized at various locations in May, another 12 were baptized in Bulan on August 11.

Construction of the new church building at Mabini was completed enough for PAMI workers to gather there for a monthly meeting at the end of August. Because of it having a lot of nice sheltered facilities, Mabini has been chosen as the venue for next year's all-PAMI youth camp for which they are already making plans. We are thankful for the \$4000 provided by the Bryant Charitable Trust of Scotland for this Mabini construction and \$4000 provided by Brampton Church in Canada for Fabrica Church construction. Another construction project ready to commence is a new classroom at Emmaus Bible Institute, replacing a worn out temporary cottage with something more permanent. Gary Nelson memorial funds will help cover that. Additional funds could always be used for other new construction, repairs or improvements.

Many film showings, including this one in Tampi, Bulan on Aug. 25 where many accepted the Lord and want follow-up Bible studies.

Note that this stage was built by youth from a welding ministry sponsored by a previous Rock for Jesus Battle of the Bands

Amazingly, the government's DepEd Moral Recovery Initiative allows Mabini Elementary to show the Jesus film and have a Gospel presentation. First grader John Winston (son of Ptr Winston and Espie Fresto) participates as A1 Child to sing a song. Espie was recently elected as President of the PTA.

Ptr Gumer and his church people conducted an evening crusade July 14 at a Bacolod, Irosin basketball court, including music from younger and older bands, tambourine dancing, and preaching. More than 200 attended and 100 responded. Follow-up Bible studies are planned.
