

Praise God that the Spirit has prompted **revival in Buhang**, a barangay of about 3000 people that is on the border between the municipalities of Barcelona and Bulusan. Pastor Pio Garduque of PAMI Barcelona Church baptized 5 people from Buhang on April 18 and another 5 people from Buhang on August 8. This is partly because of the testimony and friendship of Sis. Juvy's mother to Sis. Precy and her family, partly due to Bible studies in their house, and partly due to film showings. They're praying for a suitable meeting place and for this to become a daughter church.

In addition to Ptr Pio's ministry in Buhang, Ptr Lorenzo of PAMI Bulusan Church was allowed to conduct a film showing in the Buhang High School (see pictures on the back side and read his exciting report below).

August 29, 2015

Dear PAMI Board,

May the abundant blessings of God be with you. Thank God that he gives us opportunities to share the gospel to many people here in Bulusan. We have been visited by our brethren from Mindanao, who helped us to evangelize our town. For us this is an answered prayer to saturate Bulusan with the gospel. We conducted film showings every night within 3 weeks along with house to house serenading singing gospel songs early in the morning, challenging and encouraging everyone about God's love from August 3 to 23. And also we do evangelism at Buhang National High School here at Bulusan and 400 students raised their hands to accept Jesus Christ as their Lord and Savior. Yet it's hard for me to take some pictures of it during night film showing because the flash of digital camera is not working. I hope that you might help us in prayer for documentary tools like digital camera.

As of now we are setting our schedule for another film showing and evangelism since that our visitors from Mindanao go back already at Butuan City, Agusan del Norte. Last August 23-25 we attended Blow the Trumpet Seminar with Messiah Revival and Evangelistic Mission Inc. from Butuan City, Mindanao. Praise God that we have connection with our brethren in Mindanao when PAMI eventually reaches Mindanao.

Bible studies and outreaches are ongoing. Please include us always in your prayers. We are seeking vacant lot for church building and we are consistently pray for it.

PRAYER REQUESTS: Church Growth, More bible studies, Children Ministry, Youth Ministry, Church Lot and building, Digital Camera for documentation and report.

To God be the glory! Pastor Lorenzo F. Fugen
