Sta. Isabel Matnog, Sorsogon

APRIL 2021 Report

PAMI Boards and supporters, Bro.Mike; LINC (Living in Christ Church) and Local boards;

Shalom!

The Lord bless you and keep you may His face shine upon you. The joy of the Lord is our strength.

We are blessed and thankful for God's provision in our prayer for a new cellphone, for answering tricycle painting labor fee and for the renewal of tricycle registration. Our deepest gratitude to those hands used as channel of blessing. May the Lord continue to bless you and guide you all. Thank you very much!

By God's grace, we could use the new cellphone with better features for better reporting, it is now easy to make a Report, praise God. Thank you Lord.

*Highlights of our monthly report

Adults Sunday School

Taken during Praise and Worship led by one of our youth leaders- Mia Garrate.

Children's Sunday School - This was taken after our Sunday School activities.

Culasi Sunday Worship Service

Lenten season church activity - We did Lord Supper and Foot washing - this was to follow Jesus example for His disciples.

Meanwhile we are a bit busy preparing for the upcoming 4th Church Anniversary and Baptism this coming April 25, 2021, we cleaned the space near the seashore, we planned to do the celebration outside of the church building instead of crowding inside we will be making tent for a better and spacious celebration of our 4th year Anniversary since last year we haven't celebrated it due to pandemic. Sad to say we had just received yesterday a message coming from the municipality of Matnog; Executive Order No.05 series of 2021 - Enforcing Modified Enhanced Community Quarantine (MECQ) from April 15-30, 2021, below 18 years old and over 65 years old must stay at home, Matnog has 16 cases of Covid-19 positive. We are praying that this will end soon and those of Covid positive would recover and be healed in Jesus name, please include also in your prayers the whole Sorsogon province.

Prayer Request:

1. Upcoming 4th Church Anniversary and Baptism _ April 25, 2021 (tentative) because of MECQ
2. Preparation for Youth Camp this coming May or June
3. Evangelism at Barangay San Sebastian (Bigo) Sta. Magdalena
4. Tricycle maintenance (exterior wheels "front & sidewheel", sidewheel bearing, pipe, and acceleration cable)

Note: This is to prepare the tricycle service for weekly transportation for the modular studies.

5. Church extension and chairs
6. Wisdom and knowledge
7. Good Health PAMI workers as well as PAMI boards and supporters
8. Youth Empowerment - a seminar for young people to help community transformation
