JUNE 2020 Report

PAMI boards and supporters, LINC, and Local Boards:

May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.

Blessed be the name of the Lord who intervenes in Candumaay and Culasi ministry. Praises and glory to our God, a baptism has been done last June 19, 2020 along the seashore of Culasi, there are nine (9) newly baptize, they committed their lives in the Lord, it includes five (5) adults and four (4) young people. We praise the Lord for opening their lives to the Lord and letting his spirit fill their lives with loveliness. Strong relationship to the Lord and savior is our primary goal for the church. And we praise God for their response on God's calling.

We celebrate because our lives overflow with things to be thankful for, and because God gives us the eyes to see how incredibly we have been blessed. We had distributed the 3rd wave of blessing-food packs for the needy church members. We also thank the Lord and to his instrument of blessing, PAMI boards and supporters for the new laptop. We are thankful for the provision for newly renovate comfort room and church windows, and thank you for including the church signage for the budget, praise God it is already at its best now. Thank you in advance for the motorcycle sidecar budget, your kind gesture is deeply appreciated. Thanks to all supporters of PAMI especially the LINC, great is your reward from the Lord. All glory and thanksgiving to our number one provider.

Since the pandemic ministry has freeze, still always giving thanks to God the Father for everything happens for a reason. Even if it is lockdown there are other ways to share His Words. Thanksgiving to our God that little by little some ministry such as PNP life coach, ministry to the policemen had now resume though there are some precautionary measure to observe, it is good to be back in teaching them the Word of truth. We are blessed to be given the opportunity to teach God's Word which is very essential for this public servants. Bible studies, discipleship and Prayer Gathering continues from Tuesday to Thursday here at Candumaay and Friday at Culasi. We are asking prayer for our Campus ministry, since DepEd plans home schooling or modular studies.

By the grace of God, we thank God that we are Covid free here. We continue pray that we will always be covered by the blood of Jesus and keep protected.

Always giving thanks to God the Father for everything, in the name of our Lord Jesus Christ.
Thanks giving to all who continue to pray and support us in the ministry.

All the glory and honor belongs to Him.
