“TAMBAY-Aral”

We are blessed to share to you our new program for the youth and children entitled “TAMBAY-Aral” which stands for *Tanging Aral Mula sa Bibliya Ating Yaman*. This program aims to help the youth of the community with their academic endeavors as well as mental-health issues and specially share the word of God.

We had already started the orientation whereas we also try to invite the youth leaders in the community of Penafrancia. In Pamurayan, we are still coordinating with the officials regarding the facilities we may use.

Our focus as of today is to gather the youth and bring them close to JESUS. We are also asking for prayers and support, to our PAMI Board of Directors and Supporters.

Thank you and may the grace of our LORD JESUS CHRIST be with you all.
