

Dear Bro. Mike Thorud,

Greetings in the name of our Lord and Savior, Jesus Christ.

I am writing to share the progress of the ministry at Bulabog Church during the third quarter of 2024. I am deeply grateful for the continued grace and guidance of our Heavenly Father, which have sustained me and the church throughout this period.

While challenges have arisen, God has used these experiences to equip me as a pastor and strengthen the church community. I am particularly thankful for the support and prayers of the PAMI-Board and you, Brother Mike.

In August, we successfully conducted a back-to-school project for children in Daan na Tinampo, providing essential supplies to over 50 students. The children's ministry continues to flourish under the leadership of the Bulabog Youth and dedicated parents.

We have also been actively engaged in youth gatherings, Bible studies, and discipleship programs within our church. These initiatives have fostered spiritual growth and strengthened relationships within the church and with the surrounding community.

Specific Activities and Accomplishments:

- Children's Ministry:
 - Back-to-School activities in Daan na Tinampo
- Youth Ministry:
 - Held youth gatherings, including worship, Bible study, and fellowship activities
 - Practical activities such as cooking
- Discipleship Programs:
 - Conducted weekly Bible studies and discipleship classes for adults and young adults
 - Organized a leadership training seminar to equip members for service
 - Personal evangelism with Sister Ofel
- Community Outreach:
 - Visited local families and shared the gospel message

We are grateful for the continued blessings on our church and the progress we have made this year. We are particularly encouraged by the growth in various areas of our ministry.

Prayer Requests

- Spiritual Growth: We pray for a season of deep spiritual growth for all members of Bulabog Church. May we be transformed by the renewing of our minds in Christ and empowered to share the gospel with boldness.
- PADABA Parent Involvement: We seek God's guidance in increasing the involvement of PADABA parents in the life of the church. We believe their active participation will strengthen our church family.
- Basketball Evangelism: We pray for God's intervention in our new basketball evangelism outreach program. May it be a powerful tool to attract young people to Christ and build lasting relationships.

- December Church Anniversary: We lift our upcoming church anniversary in prayer, desiring a successful celebration that unites our congregation and showcases the goodness of God.

I am also writing to request your urgent assistance in addressing a critical need at Bulabog Church. Due to the ongoing rainy season here in Bicol, the roof of our church has become severely damaged. The leaks and rust have compromised the structural integrity of the building, posing a significant risk to both the congregation and the church's belongings.

We have attempted to address the issue with our limited resources, but the extent of the damage requires more substantial repairs. Unfortunately, our current church funds are insufficient to cover the cost of the necessary materials.

Therefore, I am humbly requesting your support in helping us repair the church roof. We believe that with your assistance, we can ensure the safety and well-being of our congregation and continue to provide a space for worship and community gatherings.

I am willing to contribute my labor to the project, but we will need your help in providing the necessary materials. Any contribution, would be greatly appreciated.

We are hopeful that you will consider our request with compassion and understanding. Thank you for your time and attention to this urgent matter.

Breakdown of Repair Needs:

- Galvanized Iron Sheets (G.I. sheets): We require at least 8 additional 12 ft. G.I. sheets (We currently have 3). (Estimated cost: ₱6,336)
- Umbrella Nails: 2 kilos (Estimated cost: ₱180)
- Vulcaseal: (Estimated cost: ₱650)
- Paint: (Estimated cost: ₱750)

The total estimated cost for these materials is approximately ₱8,000 pesos. The church will contribute additional small materials like coco lumber.

Personal Prayer Request:

I would also like to humbly request your prayers for my own health. The rainy season has taken a toll on my body, and I would greatly appreciate your prayers for strength and resilience as I continue to serve the church.

Thank you for your continued support and prayers. We believe that through God's grace and your generosity, we can address these needs and continue to fulfill our mission as a church.

May God continue to bless you and your ministry.

Sincerely, Ptr. Marlon Gabion
