Castilla Christian Church

Report as of September 28, 2024

Greetings in the Name of our Lord Jesus Christ!

For this quarter, we baptized three individuals last September 26, 2024. Thank God for these people who opened their hearts for the Gospel. We are still for other individual in our home Bible Studies to be baptized also. We thanked God for those people like PAMI Board and supporters. Thank God also for allowing us to minister in other Barangay like San Isidro, Castilla for Enovejas family and some other individual. There were also ministries like Men's Group and Women's Ministry besides children and youth.

Last August I enrolled in a newly opened Castilla Colleges taking BSAB (Bachelor of Science in Agri-Business) in order to pursue my college studies. I was given an opportunity for evening classes. Thank God that my schooling does not affect my weekly schedules. Thank God for all of His favor and answered prayer.

### Prayer focus:
