Dec..2023

To LinC and PAMI board

Greetings in the name of the mighty name of our Lord Jesus

Our God is very good to all his children, to the servants who happily follow Him. To our brotherhood in LinC, especially to ptr. Ed and the bolante family and Sis Weng, as well as bro. Mike Thorud and the PAMI Board, may God bless you all. We are very grateful to you and our God for his answers to our prayers and for your help in the work of our God. God bless you all

This is my Update for our ministry in this month of Decemer 2023.

PAMI IROSIN CHRISTIAN CHURCH:

PRAYER MEETING-praise our God for our successful prayer meetings, this is the prayer meeting that even if it rains or not we will continue and never get tired of asking our God to protect us all and always bless and be with our God

ISAHANG PAGSAMBA -this is our only worship(isahang pagsamba) here in Irosin that we have been doing for a long time which other municipalities have imitated. It seems strange that we are the role models of unity in the body of Christ

Children Ministry- this is the time when we did not expect the arrival of heavy rain so the children and I ran to this house and here we continued our teaching of the word of God and here we held our activities . We also thank our God for staving with us here in their house

BIBLE STUDY - Praise our God for the life of sis. Lina Banares who has been cured of an illness that cannot be understood but with her grace and faith in our God, she is happy to thank God

This is our bible study that in Brgy Salvation near the cockpit, often the children here are there on the road where they guard the motorbikes of the people and then give them money.. that's why I've been teaching the word of God here almost all night

Visitation-Once I visited one of the elders of our church and we happily greeted each other and I saw that his faith in our God is strong so no matter what the situation is he will serve our God, he is bro. Romy Gernale

Bible study at Mapaso: This is the place where brother Mike's team went during their visit to Irosin, and by the grace of our God, we continue to go to this place every Friday evening.may Dec continue to move the entire family of Gapas in this home.

PAMI-JUAG CHRISTIAN CHURCH:

Our Departure from Irosin to Island of Juag : This is our time of preparation to go to the Island of Juag Calintaan Matnog and because it is difficult to grow vegetables there, this is what we do now every time we go there to look for vegetables first..

Arrival at Island of Juag - This is what we often do after we rest for a little while, we have prayer meetings there and this is one of the things I see that should be developed in the lives of the people on this island. may our God continue to grow them

this is where we sleep when we go to the island to do a mission, we bring mosquito repellent and small mosquitoes because there are a lot of them on this island. but for the sake of Jesus and the souls of the people recipient of the kingdom we are happy to do these things

This our breakfast and lunch - thanks and praise to our God who is the source of everything in our lives and everything these are our brothers in Christ with us at our breakfast and Lunch they are from an island in Calintaan, they are here for our morning devotion.

PAMI- JUAG CHRISTIAN CHURCH 1ST ANNIVERSARY

Our Divine and worship service - Praised and glory to God for his goodness to the people of this place, where he has granted us a very good weather during the rainy season and he has granted that our devout first church anniversary where the brothers and sisters in Christ here are brought food and gifts to each other. and I saw that little by little they came true to God's words.

These are also the children on this island, not many, but if the time comes, he will increase it more than we can imagine because it is God who grows or develops his church in Colossians 2:19. praise our God for the joy of children

the same thing happened when we were returning from the mission to Irosin, our topdown broke the chain, there was no place to take shelter if it rained, fortunately our God had mercy on us. many thanks to our God

SIMBANG GABI FROM DECEMBER 16 TO DEC. 24, 2023 almost 9th night

THIS IS OUR CHURCH NIGHT SERVICE- that started Dec. 16 to Dec. 24, 2024 and here we have speakers every night from our young people. We do this as training for a disciple of Jesus and also there are those who sponsor the snack after worship and everyone is happy apart from this, the relationship with our Lord Jesus becomes strong. and to the brothers and sisters in Christ

Our Church Anniversary last Dec.31:2024 - Thanks to our God for the good weather, no brown out and our 22nd church Anniversary was really successful here at PAMI IROSIN CHRISTIAN CHURCH where everyone was happy, many brought food. Everyone was able to worship our God happily; we are also together in praying to our God that God will continue to grow his church, that we will make many disciples of Jesus and that all of God's chosen ones will be fully prepared for service

We are very much thankful to our God for his vast resources and richness and to all brethren at LinC especially to ptr. Ed Bolante and his family for giving us something especial in our church like; 4 Pcs wall fans, 10 pcs chairs and gift at Juag island and gift to ptr. Gumer and family with a total of 28k thank you very much ptr. Ed and to your family, may our Lord of peace and hope will always glorified in your life and bless you always.
