Why Declaring Year for Children?

PAMI- Casiguran Worship Center attended the Emmaus partition Christmas party last December 17, 2023. We rented two jeepneys and multicab, the attendance from PAMI-Casiguran 82 persons from children, young people, and adults.

PAMI-Casiguran celebrated 6th year anniversary last January 6, 2024. We celebrated God's goodness for the past entire year 2023, many high and low points of ministry to be thankful, from there we learned to be must dependent to GOD. We learned to be much careful and mindful in every decision we will make, people will always be Satan's tool to make us hurt and discourage but one thing is for sure we are already conqueror and victorious, JESUS is with us always. Glory to GOD in the highest. We prepared food and some Church members bring some veggies viand and some suman, all are happy and blessed.

EARLY HORIZON CHILD DEVELOPMENT CENTER Christmas Party

This is a beautiful day for me to share God's word, the message of salvation to the children and Parents. Thank you, LORD, for bringing me here, an answered prayer opportunity to share JESUS.

This is an answered prayer opportunity to share God's word for the Senior's Citizen. Last year I've always prayed for opportunity to share God's word, one day I ask Ma'am Yolly a Senior Citizen President to give me a list of Senior Citizen so we can do house to house bible study. Then Ma'am Yolly said instead of doing house to house, she invited me to set in, in there monthly meeting. Praise God that I have once a month scheduled in sharing God's word to the Seniors. I'm praying to have also in Anog and Rangas.

The CEF (Child Evangelism Fellowship) and Matthew 18:14 called the attention of every Churches in the entire Philippines to participate declaring 2024 YEAR for the CHILDREN. We in PAMI-Casiguran commit to participate in this activity. Part of launching Year for the Children we have flag/tambourine dance parade in 3 Barangays (Anog, Rangas and Mabini) to promote the said activity in our Church. After the parade in each Barangay, we will pray for all the Leaders and children of the community.

In this activity participated by the Rock Rider (Christians Riders), young people and the entire Church, and together with mascot JJ. Through this activity declaring Year for the Children all young people commit to help us Ptr. Winston and I to reach more children in 3 Barangays. Young people are divided into 3 groups for outreaches.
