

Year End Report

Grace and peace to you from our Lord and Savior Jesus Christ. This is what happened in the last months of 2023, we thank God for the year 2023 with his Grace and Mercy to the Ministry here in Bulan and in the church of Fabrica, even though last November the T.V in the church has been robbed by someone and we did not know who was the person who did this but we know that all things work together for good so we just surrender it to God. The budget that must be allocated in the 2nd floor finishing has been decided to buy another T.V but it is not enough but i thank God for our beloved members who are willing to give for the ministry some of them give pledge to buy brand new T.V. as of now by the grace of God we bought another T.V. We are praying for this new year for God's provision for the 2nd floor budget so that there will be a pastoral house and have been a person in the church so that there will be no robbing case again in the church. We look forward for this new year for God's working through our lives. Thank you for your continues support for the ministry may God bless you and our Ministry this Year 2024, happy and a Prosperous new year to you and to all PAMI board and Suppoters.
