***The people walking in darkness have seen a great light Is 9:2***

***In him was life, and the life was the light of men Jn 1:15***

Our area felt edge effects of a couple typhoons this fall, which caused a Juag Island chapel to collapse, and moderate damage to a few church roofs. We were also hit with a large government fine, affecting our budget. And some of our people have dealt with ailments or death of family. Yet in the midst of the dark days of winter, the Christmas light shines forth and brings hope and salvation. We praise God for ongoing teaching and discipling, celebrations and gift giving, and 70 believers being baptized this year (over half in the last month)!

Chapel on Juag Island collapsed due to wind

ECF church metal roof dented from a coconut tree that fell during one of the typhoons this fall. A few hundred dollars could be used to fix other damaged and leaking roofs too.

Besides financial gifts, could use donations of **used laptops, projectors, digital cameras, Christian books & CDs, school supplies, hotel sized toiletries, toothbrushes, t-shirts, baseball hats, small toys, etc.** to ship in balikbayan boxes.

Nine were baptized in Bulan on Nov 28th

15 baptized from Emmaus Christian Fellowship on Nov 30th at Valley View Rest House

Large joint EBI partition Christmas party and fellowship on Dec 17th at Valley View Rest House, with theme "Jesus is the Reason for the Christmas Season"

Matthew 18:14 Values Instruction Class curriculum training & orientation session at EBI on Nov 29th. We have opportunity to teach Biblical VIC in public schools.

### **MISSION SUMMARY**

PAMI is a non-denominational evangelical mission started in 1982 in Sorsogon Province of the Philippines, aimed at reaching the unreached, teaching and discipling, and assisting the poor. U.S. missionaries stayed until 1989. The work has flourished with national workers ever since. The mission has 20+ PAMI-paid Filipino workers in 20+ places. Besides churches and outreaches, there's a 4 year Bible school (Emmaus Bible Institute) with 12 students learning to be church planting pastors and Christian workers. EBI also is a center for 180 Compassion sponsored kids. Radio programs and milk feeding outreaches to children are also conducted. All this is accomplished with an annual budget of only \$80,000. Gifts are tax-deductible and 100% goes to the field.

This is a Christmas party on Dec 28th in Prieto Diaz. Three were baptized there on Dec 29th (including the school principal where Ptr Benjie & Elah teach VIC & who supplied food & gifts). PAMI hopes to boost the pioneering efforts in Prieto Diaz with a crusade and film showings there in 2026, involving many of the attendees of last June's Music Camp. Ptr Benjie could use help to buy a replacement for his worn out motor scooter. Also pray for Sis Elah's health condition (diabetic with hypertension & UTI/pelvic issues, and needing ear surgery for chronic pain).
